Dear Camper,

Welcome to the 2nd Annual Matt Leinart Football Camp. We will once again provide every young player the opportunity to make new friends, learn football, and meet and spend time with myself, as well as some of my current and former teammates.

We are excited about bringing this camp to California State University, Long Beach as it will allow us to implement some new elements that will enhance the experience many of you enjoyed last year at the inaugural camp. I'm really looking forward to spending time with all of you, creating an atmosphere that will be enjoyable and educational!

Our staff will be committed to provide the best possible coaching to all the campers. To ensure that each participant has the optimal experience during a fast paced camp, we will continue to select a staff based on their knowledge of the game and their ability to work with & mentor kids. We will always place an emphasis on teamwork and the development of the special bond between teammates/new friends.

We look forward to you being a part of the 2nd Annual Matt Leinart Football Camp. I promise that it will be an exciting, enriching, educational and entertaining experience. I know everyone will have a great time and I can't wait to get it going!

Sincerely,

A handwritten signature in black ink that reads "Matt Leinart".

About The Matt Leinart Football Camp

The non-contact camp is open to all boys and girls ages 7-14. All positions will be coached (with an emphasis on position specific drills), and we encourage all football participants from elementary schools and middle schools to attend. This camp will prepare you for all levels of play - from youth flag football all the way up through Div I High School Football.

The younger kids focus will be on general fundamentals with an emphasis on safety and enjoying the game. The older group will get into more specific drills by positions, as well as engage in a 7-on-7 "passing league" style competition.

The Matt Leinart Football Camp offers 5½ hours per day of on-field instruction. Additionally, we look to provide at least one hour per day of classroom/lecture hall instruction. All of the on field drills are led by current or former high school football coaches, who along with college aged counselors, will always give us a supervision ratio of 1:7.

Matt will be an integral part of the camp from start to finish. He will be available to sign autographs for the campers, but will be limited to the items provided for the campers or any merchandise purchased from the Camp Store. Matt also plans on having some of his friends stop by to talk about their football experiences throughout the camp. Although the athletes coming to camp are not committed to sign autographs or take photos, Matt will make sure that his guests use their time at the camp to maximize the experience for all of the campers.

California State University-Long Beach offers ample field space to conduct a quality camp. The fields are adjacent to one of the most recognizable structures in Southern California, The Pyramid, as well as George H. Allen Field – named after the legendary Hall of Fame coach.
